

Supporting school and home life to help children make the most of every school day

“ Things at home are getting better. Mum and Dad shout less and listen more. Child

“ The support you have given my family and I is invaluable. All credit to you and your organisation for providing this support. Parent

## Happy Anniversary

“ He is sleeping in his own bed, eating all his food now and has been behaving so well at home and school. We are much happier now. Me and my partner have learnt the importance of consistency and we are both now using the same rules. Parent

“ Today’s session has really made us reflect on family life and how we talk to the children. I never realised that they were shouting because we were shouting at them. Parent

“ I really like my special time. Before, I would play my Xbox before bed. Now me and mum have a cuddle and read my book. My teacher said I have gone up a whole group. Child

A ContinU Trust Service

# The Wyre Forest and Hagley Project and local primary schools celebrate 5 years of WHP Home School Link Worker support for local children and families

“ I feel more in control of situations now and feel confident using the strategies. Parent

“ Top marks for the delivery of an excellent and successful and very helpful programme. Parent

“ The child is now coming into school happy, their levels have gone up and concentration has improved. The child is now off their behaviour tracker. School

“ I have now completed all of the Womens Aid courses. Without your texts of encouragement, I would have dropped out from the beginning. I can’t believe the journey I’ve come on. Parent

“ I just wanted to let you know what a great job you are doing. We really appreciate all you do. School

“ Thank you for all your help over the last year. It meant a lot knowing that we had someone helping us and not judging. Parent

“ The Link Worker offered solutions for changing the way things are handled. I was updated on my child’s progress and the Link Worker was very friendly. Don’t feel uncomfortable about asking for WHP help. Parent

If you would like to attend one of our free Triple P or Family Links courses then please call 01562 851292

“ We are talking more about things and dealing with them earlier. My Link Worker encouraged us to move forward and notice all the positive things in home and at school. A big thank you, you have made a difference and helped my child so much. I appreciate everything you have done. Parent

“ Fantastic service. Thank you. Parent

“ He feels comfortable with you. My partner has never contributed or talked or got involved with anyone that has come before. He talks with you and listens. He said the other day ‘I am going to talk to the Link Worker about this next time she comes’. Parent

“ I never thought I’d change, but I have and it’s working so much better now. Parent

With special thanks to the WHP Steering Group and all the Headteachers of the ContinU Trust

“ The Link Worker has helped my daughter to express how she is feeling. She used to be worried to ask me things and to speak to me but now there is no stopping her!! Thank you from the bottom of my heart. Parent
